SUMMARY STATEMENT

I am seeking a position in IT Security or Digital Forensics to continue to grow my skillsets and to bring my passion for cybersecurity to your company. I completed my associate degree while in high school in pursuit of a Bachelor of Science in Computer Science. I strive to exceed my goals and set new ones once I have achieved them. I am a team-player who thrives in a driven group of people who have fun while being the best. I am always open to learning new skills and am excited when I get to be a part of new experiences.

PROFESSIONAL SKILLS

Education	Pursuing Bachelor of Science in Computer Science (2022). Relevant Skills: Digital Forensics, penetration testing, bash scripting, network security, Web APIs, etc.
Employment	My self-motivation, hard work, dedication, analytical, communication, and critical thinking skills all contribute to the continuing success of my employers.
Personal	I continuously strive to create new goals for the purpose of exceeding them. Although I am organized, focused, and goal oriented, I realize that there is always room for growth and that my personal and professional experiences are tools in my journey to my best self.

RECENT WORK EXPERIENCE

Best Buy | Sales Advisor | Medford, OR | Oct. 2018 – Present
